Dear Supervisors:

RECOMMENDATION TO ACCEPT FUNDS FROM UNITED WAY, INCORPORATED, FOR 211 INFORMATION AND REFERRAL SERVICES (ALL DISTRICTS AFFECTED) (3 VOTES)

SUBJECT

Acceptance of these funds will partially offset a portion of the Department of Public Social Services' (DPSS) net County cost obligation for the provision of services through the 211 dialing code system.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Chief Executive Officer, or his designee, to sign an Agreement to Accept Funds from United Way, Incorporated (United Way), in the amount of \$194,500 for Fiscal Year (FY) 2011-12 to partially offset the County match portion of the costs of the 211 Specialized Information and Referral Services Program.
2. Upon receipt of United Way's contribution, DPSS will deposit the check as revenue to offset a portion of the Department's share of the program costs.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On December 22, 2009, your Board adopted an agreement with The Information and Referral Federation of Los Angeles County, Inc. dba 211 LA County, to provide County residents with health and human services, general and specialized information, and referral (I&R) program services through the 211 dialing code. 211 LA County also provides additional services, such as hotline services for Elder and Dependent Adult Abuse, Safely Surrendered Baby, Countywide Emergency, warm transfer services for Child Abuse Hotline and ACCESS services, as well as referral services for Code Enforcement in County unincorporated areas. These I&R program services are available 24 hours a day, seven days a week.

For the last six years, your Board has approved agreements to accept funding from United Way for the purpose of partially offsetting DPSS' expenditures related to the I&R services provided through 211 LA County. The funds received from United Way for FY 2011-12 will continue to be used to offset DPSS' program match costs for I&R program services.

Implementation of Strategic Plan Goals

The recommended action is consistent with the principles of the Los Angeles County Strategic Plan Goal 1: Operational Effectiveness, by leveraging public funds with private, nonprofit funds to maximize public access to a high quality information and referral service through a simple yet customer-friendly dialing system.

FISCAL IMPACT/FINANCING

The majority of funding for 211 LA County's contract is provided by DPSS, with the Departments of Children and Family Services, Mental Health, Public Health, and the Chief Executive Office also providing a portion of funds. United Way's contribution towards I&R services will partially offset \$194,500 of DPSS' net County cost obligation for FY 2011-12. These monies have been included in DPSS' budget for this fiscal year.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On December 22, 2009, your Board approved a three-year contract agreement with 211 LA County to provide general and specialized I&R program services through the 211 dialing code for a term of January 1, 2010 through December 31, 2012.

The Agreement with United Way has been approved as to form by County Counsel.
